

# Wambete Benjamin

## Full-Stack Web Developer

Nairobi, Kenya • +254 112 272 061 • shambetz@gmail.com  
GitHub: [github.com/wambetebenjamin](https://github.com/wambetebenjamin) | LinkedIn: [linkedin.com/in/wambetebenjamin](https://www.linkedin.com/in/wambetebenjamin) | Portfolio: [wambetebenjamin.dev](https://wambetebenjamin.dev)

## PROFESSIONAL PROFILE

Full-stack web developer with 5+ years of experience designing and building fast, accessible web applications for startups and SMEs across East Africa. I specialise in React, Next.js and Node.js, with a strong eye for UI/UX and a track record of shipping products that convert.

## WORK EXPERIENCE

|                                                                                                                                                                                                                                                                                                                                 |                |
